

Crystal

LED Edge-Lit Signs

Custom Mounting Options

Surface Mount- 4 Inch Lens

Series CRS-4

Application: Housing and trim parts are precision machined from extruded aluminum and can be finished in a dazzling array of colors & sizes.

Inverted Surface Mount

Series CRS-Inv

Application: Inverted exit legend & canopy mount provide a perfect solution to difficult mounting situations.

Recessed End Mount Free Lens

Series CRR-FL

Application: An elegantly styled end-mount edge-lit sign. The light bar & power supply are recessed into the wall, leaving the lens free of any interference.

U.S. Patent 5, 276, 591
