

## Mullion Mount

**Application:** Designed to mount directly to a 2" mullion.

### Series CRS-MM

## Inverted Surface Mount

**Application:** Inverted exit legend & canopy mount provide a perfect solution to difficult mounting situations.

### Series CRS-INV

## Recessed End Mount Free Lens

**Application:** An elegantly styled end-mount edge-lit sign. The light bar & power supply are recessed into the wall, leaving the lens free of any interference.

### Series CRR-FL
